

Youth depression is an issue that hits thousands of homes every year. Mat's Ride is a unique and fun way of heightening people's awareness. This year we're looking to corporate Calgary for financial support of this worthwhile initiative. All proceeds from this year's event will go to support the Canadian Mental Health Association Calgary Region's Youth Education Program – helping put an end to youth depression. This initiative is run entirely by a committee of volunteers. We need your generous financial support in order to host this annual event. Youth depression hits thousands of families in Calgary every year and strikes at the very heart of our community. Show your community that you have a corporate heart that cares.

For your support you will receive:
